Call To Order: 6:00 p.m. – *Paula Weglarz, Meeting Facilitator*

There was a verbal roll call and introduction of Committee Members.

Superintendent White provided a brief summary to date including the following information: on June 16, 2020 the Region 4 Board of Education voted to have BSC Group conduct an athletic fields and grounds (land use) study for JWMS and VRHS.

On November 5, 2020, Michael Kluchman of BSC Group presented the initial findings of that study to the Region 4 BOE. The Board formed this Fields and Grounds Study ad hoc Committee made up of a variety of Region 4 stakeholders, including: parents; staff; administration; coaches; booster clubs; town parks and recreation departments; interested citizens; and Region 4 BOE members.

The charge of this committee is to provide stakeholder feedback to BSC Group to help shape the completion of their final report to be presented to the Region 4 BOE on December 15th. This report will in turn help to guide short and long term decision making by the Region 4 BOE regarding the needs of our athletic program and our community as the Board begins their deliberations to develop their 2021-22 budget.

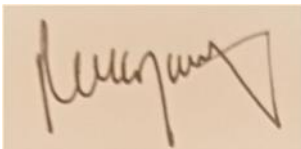

Items / Discussion

Michael Kluchman of BSC Group reviewed materials and information gathered to date. He also shared the feedback he received from Committee members' answers to the survey shared with them last week. A discussion was held.

The next, and last, scheduled ad hoc Committee meeting will be held on Dec. 2nd @ 6:00 p.m. An agenda will be posted and shared prior to that date.

Public Comment: No comments were made

ADJOURNMENT: The Committee adjourned at approx. 7:51 p.m.
