September 21, 2021

Good evening, Windsor Mill Middle School Families,

This school year, students will be participating in the Early Fall Assessments beginning next week. The Maryland Comprehensive Assessment Program (MCAP) will test students in math, literacy, and science (6th graders only). A one-pager which describes the MCAP assessment has also been attached for you to review.

The dates for testing at Windsor Mill are as follows:

- Grade 6 Students: September 28th – October 1st
- Grade 7 Students: October 5th – October 7th
- Grade 8 Students: October 12th – October 14th

A few reminders for you and your student(s):

- Attend school daily on the designated grade level days.
- Get a good night’s sleep.
- Eat a healthy breakfast whether at home or here at school.
- Discuss with your child the importance of doing their very best.
- Send in a pair of inexpensive ear buds on testing days. Students cannot use air pods or Bluetooth enabled headphones.

If you have any questions, please contact the school, your child’s homeroom teacher, or email me directly at rridley@bcps.org.

Thank you,

Mrs. Regina Ridley
Assistant Principal
