Baltimore County Public Schools (BCPS) has a hybrid Board of Education (BoE). Some members are appointed, while others are elected. **Have you wondered what is the process for a community member to run for the Board of Education?** Then don't miss this meeting.

This meeting will be an opportunity to learn more about the process towards becoming a member of the BCPS Board of Education through public elections. Join us for a presentation from the **Maryland State Board of Elections** on the Election process. Q & A will follow the presentation.

Our next meeting will be on Monday, March 14th, at Elmwood Elementary School Library. The topic will be School Construction and Overcrowding. We will begin at 7 pm.
