PERSON(S):** Donna Flynn, Executive Director of Assessment and Student Data

INFORMATION

Staff will report the September 30 enrollment which will be submitted to MSDE on October 12. Please note that MSDE will cross reference our enrollment with that of other school systems to verify that there are no duplications, and they will announce in December an official enrollment which will serve as the basis for state funding. That number may be slightly different from the number that will be reported on October 11, 2001.
