Design Services and Construction Administration for Reroofing Project at Perry Hall High School.

Appendix I

**Recommendation for Fee Acceptance
Design Services and Construction Administration for Reroofing Project
Perry Hall High School
January 29, 2002**

The Fiscal Year 2002 Capital Budget includes funding for replacing the roof at Perry Hall High School. This project will require a consultant to prepare the necessary construction documents to replace the existing roof. On March 23, 1999, the Board approved the selection of Gale Associates, Inc. as an on-call roofing consultant. The Department of Physical Facilities has negotiated a fee of \$59,705.00 for the consultant to perform the design, prepare the construction documents, assist in the bidding phase, and provide construction administration services for this reroofing project.

The Department of Physical Facilities recommends acceptance of this negotiated fee of \$59,705.00 with Gale Associates, Inc. Funding for these services is available in the Capital Budget Project #671 - Roof Replacement.
