Track Replacement at Towson High School.

Appendix I

Recommendation for Award of Contract – Track Replacement at Towson High School March 26, 2002

On March 7, 2002, three (3) bids were received for replacing the running track at Towson High School - Bid #5-547-02. This project consists of replacing the existing track surface and converting to a metric based track. A summary of the bids received is attached. Based on the bids received, the Department of Physical Facilities recommends an award of contract to Central Maintenance, Inc., the lowest responsive bidder, in the amount of \$215,215.80 for the Base Bid plus all six (6) Alternates. The additional work to be completed under the add alternates includes resurfacing the long/triple jump runway, resurfacing the pole vault runway and high jump area, resurfacing the discus throwing pad, and additional minor site improvements.

At this time, the Department of Physical Facilities also requests approval of a 10% Change Order Allocation in the amount of \$21,521.00 to cover any unforeseen conditions and minor changes to the contract, to be authorized and approved by the Building Committee in accordance with Board Policy.

Funding for this project is available from Capital Budget Project # 672 – Site Improvements.
