## Appendix I

**Request for Fee Acceptance  
Design Services and Construction Administration for Reroofing Project  
at Kenwood High School  
April 23, 2002**

The Fiscal Year 2002 Capital Budget includes funding for replacing the roof at Kenwood High School. This project will require a consultant to prepare the necessary construction documents to replace the existing roof. On March 23, 1999, the Board approved the selection of Law Engineering, Inc. as an on-call roofing consultant. The Department of Physical Facilities has negotiated a fee of \$45,354.00 for the consultant to perform the design, prepare the construction documents, assist in the bidding phase, and provide construction administration services for this reroofing project.

The Department of Physical Facilities recommends acceptance of this negotiated fee of \$45,354.00 with Law Engineering, Inc. Funding for these services is available in the Capital Budget Project #671 - Roof Replacement.
