RECOMMENDATION

That the lease agreement with Baltimore County Government relative to the use of the property at 7220 Windsor Mill Road be approved by the Board of Education.

Background Information:

The Western Traffic Division of the Baltimore County Police Department was formerly located at 7220 Windsor Mill Road, property that was located adjacent to the Office of Transportation's Windsor Mill bus lot. Once the property became surplus, the Office of Transportation requested that they be able to use a portion of the property to relieve overcrowding at the Windsor Mill bus lot.
