Appendix I

Recommendation for Award of Contract Boiler Feed Water Tank Replacement at Franklin Middle School August 13, 2002

On July 11, 2002, six (6) bids were received for replacing the boiler feed water tank at Franklin Middle School - Bid# 3-306-03. This project consists of replacing the existing boiler feed water tank, the associated pump and motor, as well as modifications to the existing gas line and electrical conduits at this school. A summary of the bid results is attached. Based on the bids received, the Department of Physical Facilities recommends an award of contract to M&M Welding and Fabricators, Inc., the lowest responsive bidder, in the amount of \$27,250.00.

At this time, we are also requesting approval of a 10% Change Order Allocation in the amount of \$2,725.00 to cover any unforeseen conditions and minor changes to the contract, to be authorized and approved by the Building Committee in accordance with Board Policy.

Funding for this project is available through the Operating Budget of the Office of Comprehensive Maintenance and Construction.
