Appendix I

**Request for Fee Acceptance
Design Services and Construction Administration for Reroofing Project
at General John Stricker Middle School
August 13, 2002**

The Fiscal Year 2003 Capital Budget includes funding for replacing the roof at General John Stricker Middle School. This project will require a consultant to prepare the necessary construction documents to replace the existing roof. On March 13, 2001, the Board approved the selection of Law Engineering and Environmental Services, Inc. as an on-call roofing consultant. The Department of Physical Facilities has negotiated a fee of \$61,748.00 for the consultant to perform the design, prepare the construction documents, assist in the bidding phase, and provide construction administration services for this reroofing project.

The Department of Physical Facilities recommends acceptance of this negotiated fee of \$61,748.00 with Law Engineering and Environmental Services, Inc. Funding for these services is available in the Capital Budget Project #671 - Roof Replacement.
