J. Kurt Buckler, Head of Engineering, Office of Engineering and Construction

RECOMMENDATION

That the Board of Education approves a change order.

Request for Change Order – Fine Grading Package at New Town High School.

Appendix I

Request for Approval of Change Order Fine Grading Package at New Town High School October 22, 2002

On November 20, 2001, the Board of Education approved an award of contract with T.C. Simons, Inc. to perform the site work associated with New Town High School. In order to complete this project, it has become necessary to provide a grinder pump to allow for a sanitary sewerage line to be connected to the new Grounds Building. The contractor has submitted a proposal in the amount of \$17,449.00 to complete this additional work. This price has been reviewed by our consultant and found reasonable. Based upon this review, the Department of Physical Facilities recommends a change order in the amount of \$17,499.00 with T.C. Simons, Inc. to furnish and install a grind pump at New Town High School.

Funding for this additional work is available through Capital Budget Project #625 – New Town High School.

APPROVED:

Donald F. Krempe, Ph.D.
Executive Director
