Fee Acceptance – Project Investigation Services at Golden Ring Middle School.

**Request for Fee Acceptance
Project Investigation Services at Golden Ring Middle School
July 8, 2003**

The Department of Physical Facilities requests approval to utilize the services of an on-call consultant to provide project investigation and construction cost verifications in support of the systemic renovation project at Golden Ring Middle School. On January 28, 2003, the Board approved the selection of KCI Technologies as an on-call civil / structural consultant. The Department of Physical Facilities has negotiated a fee in the not-to-exceed amount of \$150,000.00 to provide the requested services. At this time, the Department of Physical Facilities recommends acceptance of a not-to-exceed fee with KCI Technologies for project investigation services at Golden Ring Middle School.

Funding for this project is available through Capital Budget Project No. 096 – Golden Ring Middle Systemic Renovations.
