Description:

On July 13, 2004, the Board of Education granted approval for the Department of Physical Facilities to enter into negotiations with Grieves, Worrall, Wright & O’Hatnick, Inc. (GWWO) for design services associated with the construction of an addition and the modernization of the technical education wing at Kenwood High School. Following this approval, a total fee of \$788,502.35 was negotiated to provide pre-design phase services, development of schematic design, design development, construction documents, submission of documents for state review, bidding phase services, and construction administration services.

The total negotiated fee was partially funded in the existing capital budget with the remaining funds being requested in the proposed FY06 capital budget. On August 10, 2004, the Board approved \$330,833.73, which represents the cost of the schematic design phase and design development phase portions of this project. On May 10, 2005, the Board approved \$339,864 for the construction document and bidding phases. Currently, the site design is completed and bid, while the building design is in its final phase.

At this time we are requesting that the Board approve additional funding for the construction administration phase.

Description:

PCC Construction Components, Inc. (PCC, Inc.) was a subcontractor to the Construction Package 8-A (Windows, Storefronts, Metal Panels) contractor, Debra’s Glass (DGI). Baltimore County Public Schools (BCPS) informed DGI that BCPS would supplement their work forces in order to complete the project. In order to complete this work, it is necessary to bring in the contractor’s subcontractor, PCC, Inc., since they know the project and can readily obtain the proper material.

At this time, the Department of Physical Facilities requests approval of a contract in the not-to-exceed amount of \$75,000 with PCC Construction Components, Inc. The amount of this contract will be deducted from Debra’s Glass.

Description:

The FY06 capital budget includes funding for design services for the planning and design of a new elementary school to be located on the south side of Ebenezer Road, east of Vincent Farms Road. All procedures in the Board of Education’s Policy and Rule, Section 7210, were followed to advertise, qualify, interview, and select the consultants.

The Qualification Committee met in October 2005 to review the *expressions of interest* submitted by eighteen (18) consultants. The Qualification Committee reviewed and graded this information and stated that the Selection Committee should consider the four (4) most qualified firms for this work.

On November 8, 2005, the Selection Committee met and discussed the Qualification Committee’s report and interviewed each of the qualified firms.

Based on their evaluations, the Selection Committee recommends that approval be granted to conduct contract negotiations with Grimm & Parker Architects, Inc., the recommend firm.

Recommendation:

Approval to Negotiate is recommended to:

Grimm & Parker Architects, Inc. Calverton, MD
