

COMMUNITY RELATIONS: Use of School Facilities

Fund Raising

Guidelines for judging the appropriateness of any fund-raising activity shall include the following:

1. The activity shall be open to all students
2. The activity should not be held on school time
3. The activity shall not use students to sell products in the community
4. The activity shall not involve physical competition (contact sports) between students and faculty
5. Activities must not place undue burdens on students or staff
6. Cost of participation in the activity must be nominal

Any exception to the above guidelines shall be approved by the appropriate area assistant superintendent.
