Attachment I – Policy Analysis
Attachment II – Policy 3142 (4009)
Statement of Issues or Questions Addressed
The placement of Board of Education Policy 3142 is now obsolete because this function is no longer one that rests with the Office of Payroll. The new title, “Personnel: General, Compensation and Related Employee Benefits: Employee Insurance” more accurately reflects the content of the policy. The policy is included in the Personnel Series 4000 and the number has been changed to 4009.

Cost Analysis and Fiscal Impact on School System
No fiscal impact is anticipated by the revision of this policy.

Other Alternatives Considered by Staff
The policy was considered for deletion since it refers to the Master Agreements. Deletion was not chosen because of references to compliance with provisions of the Master Agreements and the regular review of employee insurance.
