In accordance with Board of Education Policy and Superintendent's Rule 8130, Policy 6200 is scheduled for review in school year 2012-2013. Policy 6200 was presented to the Board for first reader at its meeting on February 19, 2013. Based on comments received, during second reader, the Board asked that the policy be remanded to the Policy Review Committee for further review. At the request of the Chief Academic Officer, a focus group consisting of principals and library media specialists was convened to provide feedback concerning the policy. As a result of the comments received from the focus group, staff is recommending that the policy be revised to: (1) include a policy statement that recognizes the importance of the school library media program in supporting student achievement ; (2) include guidelines that reflect current library media program standards and expectations; (3) include the requirement that the Superintendent request funding in the annual operating budget for maintaining and upgrading school library collections, as well as staffing school libraries with certificated library media specialists; (4) include an implementation section; and (5) conform with the Policy Review Committee's editing conventions.

Cost Analysis and Fiscal Impact on School System

The Superintendent will request sufficient funding to sustain school libraries from the annual operating budget. The proposed request for FY14 is \$2,134,686.
