## **BCPS announces increased spectator capacity for fall season sports**

Towson, MD – Baltimore County Public Schools will be increasing spectator capacity of athletic games beginning as early as Thursday, March 18, 2021.

Plans provide the safety required for three spectators per athlete per game. Due to the size of some of the smaller facilities, adjustments may be made to accommodate spectators safely under current social distancing guidelines.

BCPS will continue to utilize a paperless ticketing system to support safe management of events. Masks will continue to be required and social distancing remains in effect.

School system leaders appreciate the support the Baltimore County community provides for the safe implementation of athletic programs at county schools.

As was previously announced, tickets are \$5 each (plus a service fee), paperless, and are needed only for football, field hockey, soccer, and volleyball games and badminton matches. To purchase tickets, download the Ticket Spicket app or go to the [Ticket Spicket website](#) to find games. An [online quick start guide](#) and [video on buying tickets and checking in](#) provide additional directions.

###

[Baltimore County Public Schools](#), the nation's 25th largest school system, is focused on raising the bar and closing gaps to prepare our students for the future. Thanks to innovative and talented leaders, teachers, staff, and students, BCPS celebrates [many honors](#).
