Help your school WIN the Team BCPS Clean Green :15 Litter Challenge!

The Team BCPS Clean Green :15 Litter Challenge is where our schools compete to see which school communities* can record the most 15-minute litter cleanups and volunteer participation throughout the entire year.

*School communities include all sorts of groups who choose to designate a particular school to receive credit. Civic or community groups, scout troops, sports teams, faith-based groups, youth groups, businesses, environmental organizations, foundations and others could be included in these groups.

Team BCPS Clean Green :15 Litter Challenge Timeline:
April 30, 2022  Litter challenge ends—last day for cleanups
May 7, 2022    Cleanup reports must be submitted to bcps.org by midnight

Report cleanups on: BCPS.org/teamBCPS/CleanGreen15
