School Dental Health Record

Name of Student: ____________________________________________  Age: ______

Name of School: _____________________________________________  Grade: _____

All students can achieve a healthy mouth, provided they practice protective health habits from childhood and have the opportunity to benefit from present-day knowledge of dental disease prevention and control. If your child has not visited your family dentist within the last six months, we advise you to make an appointment immediately. After the dental appointment, the signed form should be returned to the school your child will be attending.

Report of Dental Examination:

A. □ No dental treatment is necessary.

B. □ All necessary dental treatment has been completed.

C. □ Treatment is in progress.
