BALTIMORE COUNTY PUBLIC SCHOOLS

REQUEST TO REMAIN ENROLLED IN CURRENT SCHOOL

During the extended closure of schools, students participated in the online instructional program of the school where they were enrolled on October 1, 2020. While participating in on-line instruction, some students had a change in residence. As a component of the BCPS *Continuity of Learning* plan, students were allowed to continue accessing on-line classes in the school for which they were no longer zoned.

As BCPS begins implementation of its hybrid instructional program, students are required to attend their zoned schools where they may access in-person learning. Any parent/guardian who wishes for their student to remain enrolled at the current school for the remainder of the 2020-2021 school year must submit this request to the principal of the current school.

Conditions of Request to Remain Enrolled at Current School

- Parents/guardians who request that their child remain at an out-of-zone school assume full responsibility for transporting their student to and from school. Transportation provided by Baltimore County Public Schools is not an option for a student attending out-of-zone schools.
- This request for a student to remain in an out-of-zone school is valid for the remainder of the 2020-2021 school year only. Parents/guardians who wish for their child to remain enrolled beyond the current school year must apply for a *Special Permission Transfer* and obtain approval as outlined in Superintendent's Rule 5140.

By signing below, the parent/guardian acknowledges and accepts responsibility for transporting the student. The parent/guardian signature also indicates a full understanding that this request is a means by which the student can remain enrolled in the current school just through the end of the 2020-2021 school year.
