NOTATIONS TO CALENDAR

** A link will be provided to see the information session

*At the present time no SAT/ACT testing will occur thru the first quarter (November 13, 2020). The school board will revisit this decision at a later date but, we assume, since the buildings are closed through January that these exams will not be available on BCPS property until 2nd Semester. You can go to collegeboard.com or act.org to find alternative locations for your student to take these exams.

Lifetouch will coordinate with the schools at a later date for school pictures.
