How to Access Online Accounts for the Baltimore County Public Library

1. Go to Digital Content in BCPS One and click on Baltimore County Public Library.

2. Click on the “Account” tab along the top of the webpage.

3. Click on “Log In Now”.

4. Enter the “Username” and “Password” in the text boxes provided and click “Log In”. The Username that students will use is their BCPS Student ID#. This information is given to each student at the beginning of the year, and it can also be found in Schoology by generating a “Grade Report”. The password for all students will be 0000.

5. After successfully logging in, you will be taken to the main dashboard login screen where you will see your account information. A great place to click next is the “Books and More” tab. There you can search the catalog, use databases, and more:
