

College & Career Readiness

A MONTHLY NEWSLETTER THAT HIGHLIGHTS COLLEGE MAJORS, TRADES, AND THE MILITARY

College Major

VISUAL & PERFORMING ARTS

Does working on your art bring you joy? Can you work on it for hours? If you answered “yes,” you may be a good fit for majoring in the arts!

Trades

CULINARY & HOSPITALITY

Are you fascinated by food and cooking? Detail-oriented and able to multi-task? Looking for a challenging and creative field? Consider a career in Hospitality and/or Culinary!

Military

SERVICE ACADEMIES

This month we are highlighting three service academies in the United States. Graduate from there and you could be an officer in the military!

OH NO...A TEST!!!

These test taking tips should help most people, but some can get serious test taking terror. If you're one of them, you may need to talk to a parent, teacher, or counselor for help.

More information on: [Test Taking Tips](#)

College Major: Visual & Performing Arts

Whether acting, dancing, music, theatre production, or any visual art (like game design, film, photography, and more), if you have a passion and could see yourself working on your art for 10 years or more, consider majoring in the arts! Here are some helpful web sites:

Military: Service Academies

Amongst the military colleges, we focus on Air Force Academy, Naval Academy, & the U.S. Military Academy: West Point. All applicants would have to meet similar eligibility criteria to apply to any, including passing a medical and fitness exam among others. All three are federally funded, which means if accepted tuition is free! Check out these websites for more information:
