Good Afternoon Lansdowne Middle School Families-

As the summer draws to a close, we are excited to begin the school year with your student. BCPS will begin the school year in a virtual setting on Tuesday, September 8, 2020. To make sure that all students are prepared to begin the school year, we are asking you to complete this quick survey.

We are looking to make sure we have the most accurate information possible regarding your family's needs. In addition, we want to make sure students have the tools they need to have a successful school year. Please complete the form by clicking this [link](#) or visiting our school website:

<https://lansdownems.bcps.org/>

Over the next few weeks, you will receive information about the school schedule for online learning as well as your student's schedule of classes. In addition, we are going to do our best to have a member of our school team contact each family prior to the school year starting.

We are looking forward to viewing your responses and hearing from you. We hope that you are well and that you have been able to stay safe while enjoying the summer.

We miss you, we care about you, we will see you soon.

Take care,

Mr. Dunlap
