

BCPS Magnet Programs Middle School Programs

Career and Professional Studies

Students apply concepts learned in the classroom to real world situations related to different career paths and areas of study, establish short- and long-term career goals, explore college options, and develop financial literacy. Students have the opportunity to visit local businesses and government agencies, participate in financial literacy programs, and experience hands-on, project-based learning activities. They also explore high school, college, and career choices through guest speakers and independent research.
